About Darsheel Group

At Darsheel Group, we've built a **25-year legacy** with our philosophy of **delivering exceptional quality** along with diligence in planning and execution. Our constant endeavor to **build a culture of values** and purpose has led us on this exceptional journey.

We believe in exhibiting our **passion for fine homes** through absolute quality and creativity. It's this passion that drives us to work hard and pushes us to enhance our knowledge and skills. We set our standards to the utmost and put our passion to the test as we **began our quest towards Luminare Heights.**

Our **Philosophy**

Our work philosophy that gives priority to everlasting emotional bonds over material gains, translates into ever smiling faces! We constantly strive to satisfy ever changing needs of our customers which are at par with the latest market trends of Real Estate. The result of which we see in our more than 1000 satisfied customers! This is our investment for the future!

Our Legacy

Darsheel Group has a long and rich legacy of the man behind building successful projects and happy homes - Lipane Family & Shah Family.

In the last 25 years, he has strived to build trust and excellence through its product innovation and strategic partnerships. With a core value of customer satisfaction, the brand has worked and developed homes that span from lavish upscale homes at prime locations to quality homes for an economic value that ensure a complete value for money investment options.

With a vast customer base, the brand cherishes the long lasting relationships it has built over these years of transforming the lifestyles of people in terms of various residential and commercial spaces.

Looking ahead, the brand is ready to take this strong legacy of trust, innovation, delivery and relationship to the next level. There are various upcoming projects in real estate, hospitality and leisure sectors which apart from creating a graceful lifestyle will stay rooted to its core values of customer satisfaction, innovation and associate engagement.
